### **SPAWAR Systems Center San Diego Awards Contract**

SAN DIEGO — Computer Sciences Corporation, Defense Group, of Falls Church, Va., is being awarded an indefinite delivery/indefinite quantity type contract with cost-plus-fixed-fee pricing, having a potential value of \$6,911,735, for scientific and technical network maintenance and operation services at the Space and Naval Warfare Systems Center San Diego. This one-year contract includes four, one-year options which, if exercised, would bring the maximum potential value of this contract to \$38,042,513. This contract results from a subset of available line items under solicitation N66001-02-R-5007. This contract is one of two contracts awarded for the subset of line items; both awardees will compete for task orders during the ordering period. The period of performance is from June 24, 2002 through June 23, 2003. All work will be performed in San Diego. Contract funds will not expire at the end of the current fiscal year. The solicitation was competitively issued through the SPAWAR E-Commerce Central web site with three offers received. The Space and Naval Warfare Systems Center San Diego is the contracting activity (N66001-02-D-5046).
